

Routes to the Tampere site

These instructions help you arrive at the DS Smith Tampere site.

Arriving by bus

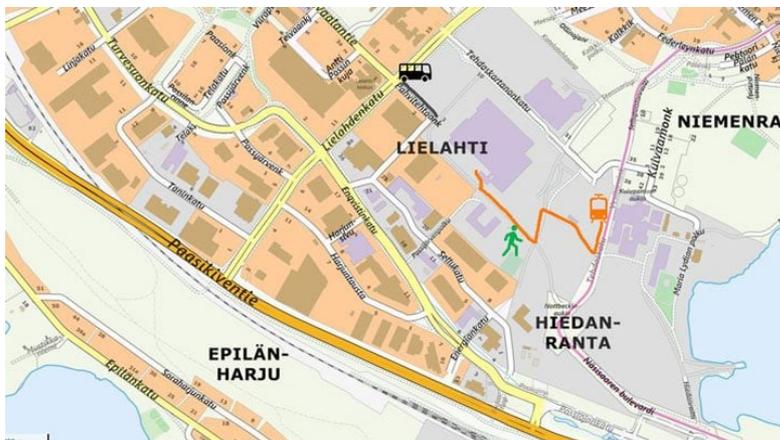

Get off at Lielahdenkatu, near the "Like" shopping centre. Walk to the pedestrian gate on Pahvitehtaankatu. The gate is locked due to safety reason. Inform your host of your arrival so that we can let you in. Inside the fence, cross the vehicle route carefully and walk to the main entrance near the flagpoles.

Arriving by tram

Get off at *Tehdas* stop. Enter through the pedestrian gate on the south side of the area (shown on the map). The gate is locked. Your host will give you the access code to open it. For safety reasons, walking or cycling through the vehicle gates is not allowed.

Arriving by bicycle or on foot

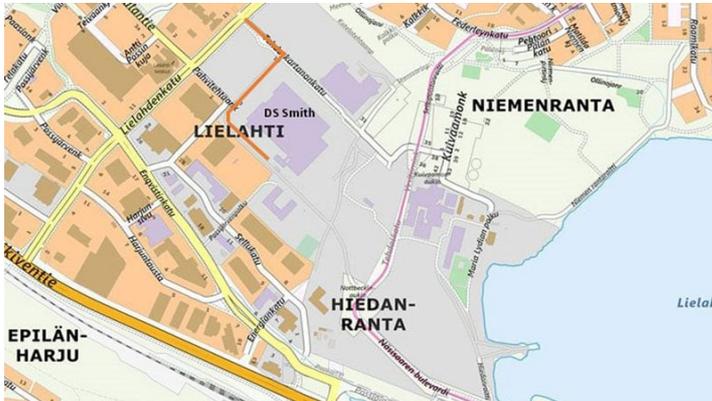

Follow the same instructions as tram arrival. Enter through the coded pedestrian gate on the south side. Bicycle parking is next to the electric car charging points before the main entrance.

Map showing routes if arriving by bus, tram, bicycle or on foot

Arriving by car or other motor vehicle

Drive from Lielahdenkatu to Tehdaskartanonkatu. After turning onto Tehdaskartanonkatu, enter through the first gate on the right. The gate is locked but your host may let you in or you can give a call to given number on the gate. Follow the fence line to the south side of the area. Parking is on the south side of the building near the flagpoles. Be careful of crossing traffic near the Pahvitehtaankatu gate.

Map showing route if by car

Parking at the site

There are three visitor parking spaces next to the main entrance. There are also electric car charging points. Your host can advise how to use them. In addition to the marked visitor spots, you may park in any free parking space. We recommend reverse parking for safer departure.

Leaving the site

Cars exit to Pahvitehtaankatu. A motion sensor opens the gate (P3). Pedestrians and cyclists should exit through the pedestrian gate towards the tram stop. If you need to leave via Pahvitehtaankatu on foot or by bike, your host can open the gate for you.
